Dear Secretary,

## Club Tours - Season 2019-20 Outgoing and Incoming

The forms requesting permission to organise an Outgoing Tour or to host an Incoming Tour have been revised.

It is important that these documents should be made available to anyone planning to organise an Outgoing Tour or to host an Incoming Tour.

The RFU has defined a Tour as when a club wishes to play a match against another club based in another country outside the jurisdiction of the RFU.

Any club wishing to Tour outside the jurisdiction of the RFU MUST obtain RFU permission.

Any club wishing to host a club coming from outside the jurisdiction of the RFU MUST obtain RFU permission.

The giving of RFU permission has been delegated to each Constituent Body, therefore any Durham County club wishing to organise an Outgoing Tour or host an Incoming Tour MUST apply to DCRFU for permission.

Adult teams may play at any time during the season.

Age Grade Rugby teams may only play during the specified season as shown in RFU Regulations..

RFU permission is not required by any Adult or Age Grade Rugby team arranging to play a match during a season within the jurisdiction of the RFU.

Yours in Rugby,
